

## Fassade Mastering

### 1. General Information:

Our company - Fassade Records / Mastering-Engineer: Bjoern Scheurmann - also offer a high quality Mastering- / and Mix-Down-Service for artists and labels since January 2008.

For getting a complete picture about our work, we would like to please yourself to listen several hosted sound-examples concerning a/b-comparisons of our mastering-jobs, mix-downs or complete productions on our homepage [Fassade Records / Mastering](#) or on our account at [Soundcloud](#).

We're also pointing you to our reference-list or the releases (Vinyl, CD or non-physical sound-carriers) of our label Fassade Records.

### 2. Specifications / Delivery:

We always offer yourself several ftp-accounts for the safest and fastest way of transmitting your files!

Have an accurate look for the specifications, if you deliver several audio-materials.

They are really important for a high-quality mastering-process.

#### 2.1 General:

- Headroom below - 3dB required!
- If it's possible, don't use mastering- / limiting-tools for the summary signal!  
If you're interested in, you can send a second version of your tracks (incl. plug-ins on the summary), too.  
But notice: This version is only for our orientation!
- Name your songs with artist, title and mix-version.  
For example: *bjoern\_scheurmann\_isophone\_original\_mix.wav*

#### 2.2 Accepted formats:

- wav / aiff (16, 24 oder 32 Bit)
- Rate: min. 44,1 KHz

### 3. Prices:
